*Praises & Requests, September 2018*

## **Praise for Answered Prayer**

▣ **Ft. Hood Ministry Team, TX.** Praise God that our first combined retreat with the Defense Language Institute in San Antonio resulted in the salvation of two soldiers.

▣ **Frank and Judy Boulet, Grafenwohr, Germany.** We praise God for the faithful efforts of Anthony and Jessica Amor to raise support for the Graf house this summer. And we praise God for the local team members who are stepping up to help with special events, small groups, meals, worship, Bible teaching, as well as house clean-up and maintenance, while the Amors are away. We are praying for the safe return of the Amor family in early September.

▣ **Char Hauser, Marine Corps Base, HI.** The EWOC (Evangelical Women of the Chapel) kick-off last month went so well. We have 11 new wives joining us for our first Bible study. One of the single gals I meet with needs to allow God to grab her heart so that she can find peace, direction, and peace.

## **Week of September 2**

▣ **Peter and Tanya Kinney, Luke AFB, AZ.** We are in the midst of many of the common military seasons: new chaplains just arrived, new airmen continue to come, and some are departing. Our group has grown and we are praying about a larger facility. August 31 through September 3 we have a retreat with the airmen and ask you to pray for their spiritual health.

▣ **David and Joyce Schroeder, Headquarters, CO.** We will be the speakers for a parenting retreat led by a godly Army chaplain for military couples from Ft. Campbell. We appreciate your prayers for strength and clarity, for God's Spirit to move freely, and for His glory to rest on this retreat.

▣ **Lorene Glynn, Air Force Academy Cadet Ministry, CO.** The weekend of August 31 - September 3 is parents weekend and also the first football game of the season. We pray for a good weekend for all the students and their relatives. As life resumes after this weekend, many of us look to the Lord for His preparation of the hearts of students who volunteer to attend the chapel groups and organized Bible studies for the cadets. We value your prayer support.

▣ **Evelyn Schofield, Ambassador, NE.** September is a very busy month for me. AWANA begins (September 5) and I am the secretary for the club. Our church has its mission conference (September 16-18) and I am on the planning committee. Pray that this time will be a blessing and challenge as the missionaries share about their work. Then, I will be starting a ladies Bible study, September 25, on Priscilla Shirer's Gideon book. Pray for the ladies who will come and for me as the facilitator, that God will be honored through this.

## **Week of September 9**

▣ **Dick and MaryEtta Reynolds, Home Assignment, CO.** God is faithful! As we continue to prepare to engage our military communities in Colorado Springs, He has directed us to a house (still unpacking), much of our start-up and moving expenses are in, and He has provided good contacts at Fort Carson. Pray for the remaining partnership development meetings, particularly that our monthly support needs would be met and that we can begin ministry on our target date, December 1.

▣ **Jennessa Randall, JBLM, WA.** Please pray for our retreats: Men's, September 7-9; Women's, September 14-16. Also, pray for Ryan, Ricardo, and Patrick to quickly find Christian community at their new duty stations.

▣ **Sharyn Holl, Ft. Hood, TX.** We praise God that Claudia, who was saved last month, was baptized on August 26 and that our Chapel Ministries Expo connected us with new soldiers. On September 4, our Protestant Women of the Chapel

(PWOC) fall session begins. I will be teaching an inductive study on the book of Judges, focusing on the theme of having faith in God rather than doing what's right in our eyes.

## Week of September 16

### ▣ **Ralph and Betty Camp, Ambassador, NV.**

Ralph has medical tests mid-month. Please pray for good results. The Civil Air Patrol is involved with the Championship Air Races right after the medical tests. Ask the Lord for safety for all involved, especially our cadets and senior members.

▣ **Frank and Ruth Ann Branham, Fort Carson, CO.** We are in transition. Please pray that our folks will support the new circumstances surrounding our new temporary location. It is not nearly as accommodating as the home Ray and Jan Schmautz offered. Please pray that their home would sell and that they would be able to make the move to Florida they are looking forward to.

▣ **Laurel and Cedric Givry, Ft. Jackson, SC.** PWOC has started for the fall and I am on the board again. Please pray for unity within our PWOC. Pray that we will be able to reach out to ladies on Fort Jackson and show them the love of Christ and help them grow in knowing and applying God's Word.

## Week of September 23

### ▣ **Dan and Becke Haas, Fort Drum, NY.**

Fellows Coffee Company donated three coffee brewing sets to help us open a cafe at Ft. Drum. Pray for our block party that we will have on our street. Our desire is to connect with our neighbors and share the love of Jesus.

### ▣ **Paul and Stacy Cassidy, Headquarters, VA.**

We had an amazing week at Cadence headquarters in July where we had the joy of appointing six new missionaries during candidacy week. Pray for our fall recruiting opportunities at various Bible colleges and seminaries. God has graciously provided additional financial support for our family and ministry.

### ▣ **Lou and Cathy Rozmiarek, Headquarters, CO.**

We are grateful that we have been given medical permission to accept a limited-term role in December at the Hansen Christian Center in Okinawa. We will be going to serve the Marines while Darrow and Vicki Frazier begin a home assignment. Please pray for clarity and discernment as we serve. We are hopeful that Lou will be able to function well and that we will be able to return to the field full-time.

## Week of September 30

### ▣ **Wes and Elaine Auldridge, Baumholder,**

**Germany.** Our kids have entered another German school year. Please pray for Silas, 6, first grade, and Ada, 7, second grade. This year will also be a busy one as we prep for our one-year home assignment. Wes started seminary and hopes to make some major headway over the next three years. Pray that we balance life well as we add more to our plate. October 1 will be our five-year anniversary in Germany.

### ▣ **Mike Martin, Camp Humphreys, S. Korea.**

Outreach efforts to the local community is much more difficult than when I was at Camp Casey. Please pray that I will find a group, of North Korean refugees God has prepared for the hospitality house and chapel members to minister to.

“Many are the plans in the mind of a man,  
but it is the purpose of the Lord that will stand.”

Proverbs 19:21, ESV
