*Praises & Requests, May 2019*

## **Week of April 28**

### ❑ **Lorene Glynn, Air Force Academy, CO.**

May 1 is our special evening meeting with our prep students. They have come through a very full year. They take their final exams this month and complete the last of their preppie military training. We thank our Lord for His work in their hearts throughout this school year.

### ❑ **Mark and Carol Kohl, Ellsworth AFB, SD.**

We will be hosting our first camping trip May 3-5. Please pray for good weather and good conversation. We are slowly seeing some spiritual interest. Pray that we will be able to impact with the Gospel through the relationships we have built. Our Bible Discussion times have been well received, and we would like to see many more attend.

### ❑ **Jay and Jerri Kayll, Home Assignment, CO.**

We are grateful for many people joining our team as we raise support for our new ministry in Colorado Springs/Peterson AFB! Pray for approximately 20 people who are now praying about joining with us. Pray also that we would have wisdom and not be timid in these weeks of setting up more meetings.

## **Week of May 5**

❑ **David and Joyce Schroeder, Headquarters, CO.** We, along with our colleague Stacy Wiens, will be scouting out the conference center in Wisconsin where Cadence will have a worldwide staff conference in June of 2020. Pray with us for wisdom in all decisions and for God's guidance and blessing on all the preparation that will happen in the coming year.

### ❑ **Sharyn Holl, Fort Hood, TX.**

As my PWOC class on Judges concludes, pray for its ongoing impact on us all and for God's direction for me as I formulate a new study for the Fall.

### ❑ **Andrea Haddock, LifeCompass, Thailand.**

Pray for God to bring additional students for this year's LifeCompass class and pray for those who are already preparing to come study with us in Thailand beginning July 26.

## **Week of May 12**

### ❑ **Lorene Glynn, Air Force Academy, CO.**

May 19 is our prep school baccalaureate and the following day is the graduation for the prep students. It will be quite a time for our chapel team as we bid the students farewell. We will really miss them. They have five weeks away from the Academy and then return in late June to in-process for their basic training at the Cadet Wing.

### ❑ **Ralph and Betty Camp, Ambassador, NV.**

We are thankful for this answered prayer of diagnoses for our grandchildren. Ruth has a rare migraine presentation and altitude sickness which are treatable with medication. She has not passed out for several weeks on the appropriate medications. Joshua has chronic fatigue syndrome and is doing specific physical therapy to help increase his endurance. Praise God for answers.

❑ **Brian and Aimee Kleager, Field Leader, Germany.** As I travel and visit our Cadence missionaries on the Europe Field, pray that I will do well to stay in the step with the Spirit as I lead them (Galatians 5). I will be in Rota, Baumholder, Grafenwoehr, and Vilseck in the month of May. Pray that I can strengthen, encourage, and challenge when needed.

## Week of May 19

❑ **Jeff and Candy Campbell, Pastoral Care, Germany.** Transition is upon us! We leave Germany for a year in mid-July, so our lives are filled with purging, sorting, and boxing. Please pray for our endurance to finish well. Please also pray for two Campbell kid graduations (Emily from John Brown University and Jessie from Black Forest Academy), too many goodbyes to mention, and renters for our house while we are away. Most importantly, pray that God is glorified through all our “ending energy investment.”

❑ **Dick and MaryEtta Reynolds, Home Assignment, CO.** We are so close to our needed monthly support! Pray that the remaining \$500/month would be pledged this month so that we can join our team mates, Frank and Ruth Ann Branham, in ministry to the soldiers and families at Fort Carson. We rejoice in the additional support received from our recent trip to the Southeast.

❑ **Dan and Becke Haas, Fort Drum, NY.** God was at work on March 23. We hosted a teen band that played, and I gave the Gospel at intermission. Pray for those challenged in their faith and for a student as she recently chose to follow Jesus!

## Week of May 26

❑ **Deric and Rebecca Sneller, Kadena Air Base, Okinawa.** Praise for a wonderful Asia Field Staff Conference! Prayer for our upcoming summer with its PCS (Permanent Change of Station) season. Pray we would be a good support to the chapel through a major transition with chaplains.

❑ **Frank and Ruth Ann Branham, Fort Carson, CO.** Please pray for one of our soldiers, Sgt. Stanley, who is TDY for Leadership Training. Spc. Smith is serving in Afghanistan with the 10th Mountain Group and is a strong Christian. They lost two soldiers in March; please pray for his safety.

❑ **Sharyn Holl, Fort Hood, TX.** We are rejoicing that our Ministry Team of military people is functioning with more intentionality, stepping into leadership roles, and befriending new people. Pray that God will raise up replacements as most of them leave us this summer.

“Clap your hands, all you nations; shout to God with cries of joy.”  
Psalm 47:1, NIV
