❑ **David and Andrea Hutchings, Okinawa, Japan.**

Praise God, we are in the final weeks of finalizing our adoption of our twin Japanese girls, Emiko and Kairi. We are so thankful for how the Lord is using this adoption to open doors with our Japanese neighbors!

Praise that our new teammates, Dick and Mary-ETTA Reynolds have been released to the field to begin ministry on June 1. Please pray that we will work well together.

❑ **Dan and Becke Haas, Fort Drum, NY.**

God is answering prayer. I am counseling three individuals with addictions, one of whom was recently set free from a huge addiction and is choosing Christ!

❑ **Wes and Elaine Auldridge, Baumholder, Germany.**

Praise for five and a half years of ministry for our family here. This is our last month in Baumholder before beginning Home Assignment. Please pray for us in this transition, especially for our children (8, 7, 4) as they process their first memorable move.

Week of June 2

❑ **Ralph and Betty Camp, Ambassador, NV.**

After several weeks of improvement, our granddaughter, Ruth, has started fainting almost daily again. She just drops to the floor without warning. Please pray for wisdom for the doctors, for proper treatment, and for healing.

Please pray for our Cadence summer interns located in Okinawa Japan, Rota Spain, and California.

❑ **Mike Martin, Camp Humphreys, South Korea.**

We are praying that the next chaplain who is coming to lead our chapel will be a person of God's own choosing.

❑ **Andrea Haddock, LifeCompass, Thailand.**

Please pray as our students finalize support raising and prerequisites for coming to LifeCompass in Thailand. Please also pray for details to come together for the cross-cultural outreach we'll be doing.

Week of June 9

❑ **Danny and Kathryn Perez, Fort Bragg, NC.**

Please ask the Lord to bless our East Coast Cadence staff training conference, June 9-14, and use it for His glory in our lives and ministries.

❑ **Sharyn Holl, Fort Hood, TX.**

We are in the midst of PCS season with many of our regulars leaving. This is always emotionally difficult. Please pray for God to raise up new regulars and for good relationships with the incoming Chaplains whom we support. We have been showing the Financial Peace University series on Friday nights and pray that God will use it to produce tangible growth in budgeting and stewardship in the lives of our soldiers.

❑ **Lorene Glynn, Air Force Academy, CO.**

June 10 through 14 is when our chapel is hold the annual Vacation Bible School for children of military families. We will appreciate your praying for the volunteers who help with VBS as well as each of the children who come each day. It's our prayer that the children will have open hearts to the Gospel that week. We pray that the songs and lessons they learn will be shared with their parents as well as their siblings in the coming days.

❑ **Bob and Stephanie Caudle, Home Assignment.**

We are praising God for this six-month Home Assignment opportunity to reconnect with ministry partners, friends and family. We appreciate your prayers for safety as we travel long distances, that our financial goals would be realized, and that we come back to the field in September fully rested and rejuvenated for our next season of ministry.

Week of June 16

□ David and Joyce Schroeder, Headquarters, CO.

We will be in France at the Europe field staff conference. We have teaching responsibilities as well as many conversations. Pray for God's Spirit to move freely throughout this week together.

□ Gene and Anne Poppino, Pastoral Care, WA.

The launch of the Conference Training Team went well in Asia last month. We are excited to be able to provide consistent, mission-wide training to enhance our ministry skills. I am looking forward to our Europe Staff Conference, June 17-21. It has been two years since I've visited our Europe field and I'm excited to see our team in person.

□ Danny and Kathryn Perez, Fort Bragg, NC.

Pray with us that many children and adults would come to Christ during Ft. Bragg's VBS that is conducted in two different places for about 350 children. Kathryn is the Bible teacher for the program. VBS will run June 17-21 and 24-28.

□ Chris and Jenny Jolin, Camp Humphreys, South Korea. Camp Humphreys is the largest military community outside the USA and the need for gospel ministry is also large. We are being faithful to the mission Jesus has given us and our prayer is for continued reach and effectiveness to our singles, unaccompanied, and families. We praise God for raising up so many co-laborers both inside and outside the chapel. These are men and women on fire for Jesus and for sharing the gospel.

Week of June 23

□ Lorene Glynn, Air Force Academy, CO.

A thousand new Basics will be arriving at the Air Force Academy to in-process during the last week of June. Our prep school graduates from May 20 will be among that group. Pray that they will do well in going through basic training once again during the next few weeks. It is our desire that they will be a spiritual testimony to others in that new class at the Cadet Wing. I plan to send letters of encouragement to a number of our preppie graduates.

□ Dan and Becke Haas, Fort Drum, NY.

We have a large group of guitar players who come to our house for a meal and music practice on Friday Nights. Please pray that we would together bring glory to God as we prepare each week to lead the hospitality house in worship on Sundays.

□ Deric and Rebecca Sneller, Kadena Air Base, Okinawa. We praise the Lord for bringing three new team members to our house's Servant Team! Please pray for our Kadena teammates who are currently on home assignment or preparing for home assignment this summer.

□ Bill and Dianne Sperry, Partnership Development, AZ. We praise God that our move from Washington to Arizona was successful and that we are settled now and ready to tackle our MPD (Ministry Partnership Development) efforts again. Please pray that God will go before us and grant us great opportunities to reach out to those He would choose as partners with us in this ministry.

Week of June 30

□ Mike Martin, Camp Humphreys, South Korea. Much transition is coming up and soldiers will be leaving. Would you pray that God would fill my schedule with men who have a high view of Scripture, see the need to study, and are willing to make that a priority in their time here? We've had good turnouts for our Baby Box and Orphanage visits and are grateful for the great help and support PWOC has given this outreach.

□ Ben and Melody Bloker, Fort Hood, TX.

Please pray for new leaders to be raised up within our ministry to replace several leaders we are losing this summer to PCS. These men and women on our leadership team are key in helping us to multiply our efforts and discipleship.

□ Joe and Jill Vincent, Spangdahlem Air Base, Germany. Please join with us in prayer for more marriages to be healed and restored. Pray also for more singles and families to join the family of believers here. Praise God for the many volunteers at our work day and weekly ministry nights at the Hangar Hospitality House. Please pray for healing in Joe's shoulder.

□ Jason and Cindy Wolden, JBLM, WA.

We are so thankful for the privilege of ministering here at JBLM. Please pray about this summer as we'll need to discover more support because some current supporters will have budget adjustments.
