Praises & Requests, August 2019

a prayer publication of Cadence International®

Week of July 28

□ Lorene Glynn, Air Force Academy, CO.

We are grateful to our Lord for watching over the 1,000 Basic Cadets at the Cadet Wing who finished their five weeks of early training on August 3. They are starting academics right away. Our prep-student graduates from May 2019 are in this group for the upcoming four years. This month they will have a chance to pick the midweek Bible studies of their choice to attend. Pray that they will continue to grow in the Lord.

□ Matt and Tina Huisjen, Home Assignment.

Please pray God would enable us to truly strengthen our marriage during this 12-month home assignment, which we are taking in Germany as our children attend German schools.

Week of August 4

□ Ben and Doris Hyde, Ft. Hood, TX.

Lots of changes are happening for the Warrior Transition Units across the country as the wounded are healing. Pray for those figuring out how future wounded soldier treatment will be defined. Pray with us and the Chaplains at Fort Hood as every Wednesday we take to the Lord the large number of soldier suicides.

□ Jennessa Randall, JBLM, WA.

We made some scheduling changes this summer that have had good results for ministry attendance. Please pray for us to know whether to keep these changes or make some more tweaks as we move into the fall. Pray also as we decide what ministry roles on base to commit to for this next semester.

Week of August 11

□ David and Joyce Schroeder, Headquarters, CO.

David will be preaching at our supporting church in Washington. Pray that we will be an encouragement to this congregation who has faithfully prayed for us and partnered with us financially for over 35 years.

□ Frank and Ruth Ann Branham, Ft. Carson, CO.

One of our faithful soldiers, James, returns from Afghanistan around August 12. Another soldier, Andre, is deployed until Thanksgiving. Deployments are routine here. Pray that the Lord will help us to build up soldiers in the faith while we have them.

□ Eric and Janet Thimell, Victory Ranch, SC.

We are on our way on August 15 to assume the directorship of Victory Ranch in South Carolina! We are excited and anticipating what God is about to do! Pray for us as we travel and interface with the Watts, who are currently ministering there.

Week of August 18

□ Jeff and Candy Campbell, Home Assignment.

Transition and reverse culture shock! Enough said? We left Germany July 17 and this will be our first extended stay in the U.S. in 23 years. Pray that we will embrace every disruption as an opportunity to grow in the grace and knowledge of God.

□ Lorene Glynn, Air Force Academy, CO.

Our new class of prep students arrived on July 17 and have now completed their basic training. They begin their first semester of academics early this month. I will greatly appreciate your believing God with us for His direction for the preppies He wants to attend our small group Bible studies at chapel on Wednesday evenings. Thanks so much.

Week of August 25

□ Andrea Haddock, LifeCompass, Thailand.

Please pray as we dive into another five-month session of LifeCompass. Pray that our students would grow in the grace and knowledge of the Lord Jesus Christ, and that their lives would be transformed by the renewing of their minds. Pray that He would prepare them for the works He has for them during their time here in SE Asia. Pray for wisdom for the LifeCompass staff.

□ Ben and Doris Hyde, Ft. Hood, TX.

We have offered to provide a B&B for Warrior Transition soldiers. We hosted a Sergeant's family of four for a week, saving them motel bills and allowing them to see a Christian family up close. Pray for continued ministry opportunities like this.

"The Lord is my chosen portion and my cup; you hold my lot." Psalms 16:5 ESV
