

# *lifeline* Praises & Requests, October 2019

a prayer publication of Cadence International®

## Week of September 29

❑ **David and Joyce Schroeder, Headquarters, CO.**  
The Cadence Leadership Summit is this week, with Cadence leaders coming to Colorado from stateside and overseas fields to gather to pray and plan for the coming year. Pray for God's blessing and direction on the many presentations and discussions that will take place this week as a group and among individuals. May God be glorified and may this time be part of His movement in and through Cadence International.

❑ **Jeremy and Kim Cover, Ft. Bragg, NC.**  
Praise that we are here and have support as we continue to transition through our first year of hospitality house ministry! Franklin Graham will be in the area on October 1. Pray for transformation in our community and that God equips us for the days ahead.

❑ **Lorene Glynn, Air Force Academy, CO.**  
At the prep school, the students and their teachers will appreciate prayer support on October 3 as the preppies prepare to take their first round of final exams. They have been with us almost three months. It is our prayer that the Lord will prepare them for their short journey through prep school. Nine months from now, these preppies hope to be in-processing at the USAFA cadet wing. Pray for me as I minister to these students while they are at the prep school.

## Week of October 6

❑ **Dan and Becke Haas, Ft. Drum, NY.**  
With many parents from Ft. Drum deployed this year, this will be a challenging year for our students.

❑ **Ed and Joy Bissonnette, Home Assignment, CA.**  
We are excited about the many opportunities for ministry to the military in San Diego. For months now we have been diligently seeking the right property for a hospitality house and ask you to continue to pray for this. We are also in need of interim lodging. Thank you for lifting us up to the Lord.

❑ **Gene and Anne Poppino, Pastoral Care, OR.**  
Our newly created Conference Training Team finished the first year of training. Six different staff trainers taught at four of the five Cadence field conferences and the training was very well received. Pray for us as we make decisions about what topics we will cover next in this ongoing professional development effort.

## Week of October 13

❑ **Mike Martin, Camp Humphreys, S. Korea.**  
Pray with me on October 14 as I meet with a hospital chaplain at the Severance Children's Hospital's Cancer Unit. I am seeking permission to bring Soldiers for an outreach event at Christmas. If approved, we would share toys, music, games, and prayers with the families and children there.

❑ **Bruce and Wendy Dower, Ft. Bragg, NC.**  
We are going through some very hard days here in our ministry as people we care for are facing significant marital challenges, terminal illness, and loss. Pray for strength and wisdom.

## Week of October 20

❑ **Paul and Stacy Cassidy, Headquarters, VA.**  
Please pray for our upcoming candidacy this week, October 20-26, where we hope to appoint new Cadence missionaries!

❑ **Gene and Anne Poppino, Pastoral Care, OR.**  
I am thankful for Cadence leadership and our HQ staff! As we go back-to-back with our Leadership Summit followed by Candidacy, I so value the quality of our HQ and their passion to do things well.

## Week of October 27

❑ **David and Joyce Schroeder, Headquarters, CO.**  
The Cadence Board of Directors will meet for their annual Board Retreat in the mountains of Colorado October 25-27. This year, spouses of board members will also participate in the retreat. Pray for unity, clarity, and mobility for military ministry and God's Kingdom as we look to Him for the coming year.

❑ **Mike Martin, Camp Humphreys, S. Korea.**  
I visit the prison once monthly but have asked for permission to visit multiple times a month, without an escort. Please pray that my application will be approved. Our regular visits to the local orphanage are running smoothly with great benefits for both children and Soldiers.
