## **Praise for Answered Prayer**

### ☐ **Sharyn Holl, Ft. Hood, TX**

Praise for my private Facebook “Jesus as a Rabbi” group that is reaching almost 100 women and giving them cultural insights into the text. Pray they will be spurred on to study and dig into the Word.

Praise for the time to write a study following the events of each day of Jesus’ final week, which I posted on Facebook during Passion week. This is something I’ve wanted to do for over two years, and with COVID-19, I had the time.

## **Week of May 3**

### ☐ **Lou and Cathy Rozmiarek, Luke AFB, AZ**

We are grateful that we were able to be creative in providing a “grab-and-go” Easter meal to our single airmen. Please continue to pray for wisdom as we engage people via technology during this time of quarantine.

### ☐ **Lorene Glynn, Air Force Academy, CO**

The senior cadets graduated early on April 18. It appears that the prep students won’t have a graduation this May, but they will proceed with plans to register at the Cadet Wing in late June 2020. We want to be here for them when they arrive for their cadet basic training. Thank you so much for praying for us this month.

## **Week of May 10**

### ☐ **Frank and Ruth Ann Branham, Ft. Carson, CO**

We are grateful that we have not been hit with the virus. But beyond that, we have assurance that the Lord is in control and will see us through whatever may come. Meanwhile, we are still able to be in contact with our soldiers via phone calls, texting and Zoom. God is good.

### ☐ **Lou and Cathy Rozmiarek, Luke AFB, AZ**

Please continue to keep our missionaries that are in the midst of raising support in your prayers. May the Lord continue to provide for their needs and build their support team so they can begin to serve Jesus and our military.

## **Week of May 17**

### ☐ **Lorene Glynn, Air Force Academy, CO**

Great is our God for His faithfulness to all. We had no idea that cadets and prep students at the Air Force Academy would be sent home early this semester to finish academics on their computers. It is our prayer that God will prepare us as His servants at the Academy for when the new classes of students will be permitted to arrive for their basic training.

## **Week of May 24**

### ☐ **Bill and Dianne Sperry, Luke AFB**

We praise God for our release to the field effective April 1, serving at Luke AFB! We ask for prayer for God’s direction and wisdom as we begin preparing and organizing for our ministry during this critical time in our nation. Please pray that our partnership with Lou and Cathy Rozmiarek will be effective and fruitful as they finish up their time here, and that same prayer will be in effect as we engage with Peter and Tanya when they come off their home assignment.

## **Week of May 31**

### ☐ **Mike Martin, Camp Humphreys, S. Korea**

As we do not have buses or taxis operating on base at present, I have asked Chaplains to let soldiers know I can help them with rides to the commissary, PX, etc. Please pray that God would enable this to become a ministry outreach during this time.

I am grateful that Gen. Abrams has been recognized for having taken early and appropriate measures that provided a “backfire defense” in protecting our soldiers from this virus’s activity on base.

“Love the Lord your God with all your heart and with all your soul and with all your strength.” Deuteronomy 6:5, NIV
